

# Q1 CLIENT SOLUTIONS Promotions

Our Ingram Micro team is ready to support your goals. View our vendor partner promos to start boosting your sales today.

## DELL TECHNOLOGIES

### Get special pricing on Dell CSG inventory

With support for Windows 10 ending in October, now's the time to start refreshing your customers' PCs to Windows 11 on AI-enabled Dell devices. Ingram Micro can help by making it more affordable and efficient with:

- **Same-day shipping**
- **Special pricing on Ingram Micro Xvantage™**

Remember to attach displays and client accessories to help you customer complete their "Dell desks." As a Client+ rebate eligible partner, you can earn a **5x multiplier** on client accessories (base rate) and **2x** on displays and docks.

To view eligible, in-stock products, visit our Dell CSG page at <https://usa.ingrammicro.com/cep/app/cms/en-us/vendors/dell/csg>.

For refresh support and special pricing details, contact our dedicated Dell team at [dellemc-csg@ingrammicro.com](mailto:dellemc-csg@ingrammicro.com).

## ERICSSON

### Ericsson "Set the tone for 2025" partner reward

Win a gift card by completing a journey in Ericsson's Enterprise Wireless partner portal Jan. 1–March 31, 2025.

How to qualify:

1. Attend the 2025 Virtual Partner Kick-Off live or view it on demand after the event.
2. Complete a Mountaineer pathway in Enterprise Wireless University (Discoverer, Explorer or Pioneer in the sales, pre-sales technical or support pathway).
3. Download the Ericsson Enterprise 5G commercial presentation from the asset library in the Enterprise Wireless partner portal.

Terms:

- Must be completed on the Enterprise Wireless partner portal Jan. 1–March 31, 2025.
- Available globally to all partners authorized to order and in good standing.
- **\$30 gift card reward** (gift card amounts vary per region).
- Winners will be informed within 10 days of the incentive end date.

For more information, contact [Cradlepoint@IngramMicro.com](mailto:Cradlepoint@IngramMicro.com).

MICROSOFT

### Discover a more profitable Microsoft PC refresh opportunity

Take advantage of the growing demand for PC refreshes as Windows 10 support ends this year. Ingram Micro can help you enhance your Windows 11 PC refresh strategy and upgrade your customers to AI-ready PCs with better security.

Let us enable a more profitable refresh cycle with our **PC buyback program, flexible financing solutions** and **expert support**.
