- Intel® Evo™ designs & vPro platforms
- Powerful security built-in with Dell Safe ID, Dell SafeBIOS, lock slots, and smartcard reader options
- Rigorous MIL-STD 810H testing for durability & reliability
- EPEAT Gold, sustainable packaging and supply chain choices
- Choice of OS including Chrome Enterprise
- World-class ecosystem

AI PCs with expert craftsmanship in our
lightest & quietest designs

Dell Pro Premium

OUTSTANDING BATTERY LIFE IN OUR MOST PREMIUM DESIGN

Dell Pro 13/14 Premium

Mobile design with expert craftsmanship

- Our lightest and slimmest laptops in the Dell Pro portfolio, crafted with a durable **90% recycled magnesium chassis**
- Your PC runs **ultraquiet** thanks to a new dual fan thermal solution with **20%** more airflow than the prior gen¹
- Our PCs undergo rigorous MIL-STD H testing for **commercial-grade durability**
- **Modular USB-C port** with up to 4 times better twist resistance and up to 33 times better impact resistance²

AI PC with Intel® Core™ Ultra Series 200V

- **Up to 21.2 hours** of battery life³, **up to 19%** faster performance for everyday tasks⁴, **3.5x** faster AI⁵, and **up to 82%** higher graphics performance⁶.
- Amplify your productivity with advanced AI experiences on **Copilot+ PCs**

World's only premium commercial laptops⁷ with:

- **Tandem OLED display** option that is 24% more power efficient and 49% lighter than traditional rigid OLED displays (14" only)
- Sleek **Zero-Lattice Keyboard** with wide and deep keys for comfortable typing
- **Battery-Saving Mini-LED backlit technology** that reduces power usage and increases battery life
- A standard **8MP HDR IR camera** with a manual privacy shutter, so you look your best on every conference call
- Optional **Collaboration Touchpad** allows you to quickly access critical conferencing controls while in a Microsoft Teams or Zoom meeting

Reliable PCs with scalable performance
in a sleek design

Dell Pro Plus

SCALABLE PERFORMANCE IN A SLEEK ALUMINUM CHASSIS

Dell Pro 13/14/16 Plus

Scalable productivity

- World's most scalable mainstream business laptops featuring a range of configurations – all with the same system BIOS for simplified management and deployment.
 - Intel® Core™ or AI PC options featuring Intel® Core™ Ultra processors
 - Laptop or 2-in-1 form factors
 - Up to **5MP IR cameras** with **HDR technology** and manual privacy shutters
 - Optional mobile broadband connectivity with either **4G LTE** or **5G** wireless cards
 - Variety of **display options**, including touch and ComfortView Plus
 - Upgradable **DDR5 memory** up to 64GB

AI PC options with Intel® Core™ Ultra Series 2

- **Up to 18.2 hours** of battery life¹, **up to 15%** faster performance for everyday tasks², **3.7x** faster AI³, and **up to 92%** higher graphics performance⁴
- Available on configurations with Intel® Core™ Ultra 200V series, amplify your productivity with advanced AI experiences unique to Copilot+ PCs

Durable, sleek and sustainable design

- Lightweight and durable with a **50% recycled aluminum top cover and palmrest**
- **Our PCs undergo rigorous MIL-STD H testing for commercial-grade durability**
- **Modular USB-C port** with up to 4 times better twist resistance and up to 33 times better impact resistance⁵
- **Up to 30% quieter** than the previous generation⁶
- Enjoy more room for productivity on a spacious **16:10 aspect ratio**
- Thoughtfully crafted with a **roomy touchpad** to quickly navigate through tasks

SCALABLE PERFORMANCE IN A SLEEK ALUMINUM CHASSIS

 **Launching**
27 March 2025

Dell Pro 13/14/16 Plus

Scalable productivity

- Select from a range of configurations to fit the various needs of your workforce – all with the same system BIOS for simplified management and deployment.
 - Variety of **AMD Ryzen PRO** options, including AI PC offerings
 - **Laptop or 2-in-1** form factors
 - Up to **5MP IR cameras** with **HDR technology** and manual privacy shutters
 - Optional mobile broadband connectivity with either **4G LTE** or **5G** wireless cards
 - Variety of **display options**, including touch and ComfortView Plus
 - **LPDDR5x memory** up to 32GB

AI PC options with exceptional battery life

- Effortlessly tackle complex workloads with outstanding performance, graphics and battery life on AI PC configurations
- Available on configurations with **AMD Ryzen AI PRO 300 architectures**, amplify your productivity with advanced AI experiences unique to **Copilot+ PCs**

Sustainable and sleek design

- Lightweight and durable with a **50% recycled aluminum top cover and palmrest**
- Durable and replaceable **USB Type-C ports** inspired by Dell Technologies vision for circular design

notebook

ESSENTIAL PRODUCTIVITY IN A NEW, MODERN DESIGN

Dell Pro 14/16

 **Launching**
27 March 2025

Essential business-class performance

- Select from either the latest **Intel® Core™ processors** or upgrade to an AI PC option featuring **Intel® Core™ Ultra processors** (coming March 2025)
- Upgradable **DDR5 memory** up to 64GB
- Fast connectivity with an array of options including **Wi-Fi 6, Wi-Fi 6 E and a Wi-Fi 7** capable wireless card
- **Port upgrade** with addition of 2nd Type-C (Thunderbolt 4) + HDMI v2.1
- **Long life-cycle batteries** (45Whr entry), upsell to 55Whr for optimal battery life

Balanced Productivity

- Look your best on conference calls, even in bright or dim lighting, with an **FHD-IR HDR camera** featuring simultaneous multi-expose high-dynamic range technology and manual privacy shutters on all cameras
- Hardware security options like optional **fingerprint reader** and **Windows Hello with FHD-IR camera**
- Both 14" and 16" have 6% and 12% respectively more screen real estate with **narrow bezel and 16:10 aspect ratio***
- **Larger battery options** and **available super low power displays** further optimize battery life.

Modern design for any business

- **Easily serviceable redesigned Type-C port** improving uptime and TCO
- Chassis comes **metallic finish in platinum silver** and **laser textured finish in magnetite**
- Designed with **30% PCR content in chassis**
- Batteries made using **recycled cobalt**
