

BRING MORE TO EVERY ROOM

End-to-end video solutions that simplify setup and deliver exceptional experiences in rooms of every size and shape

Simple installation in every space, no programming required

Flexible, scalable across small, medium and large meeting rooms

Intelligent video that covers every face and voice in every size of space

FROM 2 TO 22, THERE'S A JABRA SOLUTION TO FIT EVERY ROOM

PANACAST 40 VBS

JABRA HUDDLE ROOM SOLUTIONS

2-6 PEOPLE

- + Always meeting ready – whether you need a spontaneous Brainstorming session or a quiet space for a deeper conversation, Jabra huddle room solutions deliver a meeting
- + Ease of use – Support for Teams, Zoom, and BYOD meetings, Jabra huddle room solutions deliver an intuitive experience that is easy to use
- + Full room view – Smaller spaces can leave something missing for the remote participants. With 180 field of view, you know you can be seen, even in the smallest of spaces

PANACAST 50 VBS

JABRA SMALL ROOM SOLUTIONS

6-10 PEOPLE

- + Designed to solve the unique challenges of small rooms you can turn even the smallest of meeting rooms into places where productivity and collaboration thrive.
- + With enhanced field of view capabilities, even those closest to the screen have the confidence they can be seen.
- + AI powered intelligent video features deliver a more natural conversation for far end participants
- + Intuitive provisioning means less time setting up, and more time for collaboration.
- + Deploy your way: options available for BYOD, Android or Windows

PANACAST 55 VBS WITH PANACAST SPEAKERMIC

JABRA MEDIUM ROOM SOLUTIONS

8-14 PEOPLE

- + Jabra medium room solutions deliver a better face-to-face experience, enabling everyone to feel involved and connected
- + Audio that adapts: powerful speakers in a zero-vibrations stereo setup flood the room with premium high-definition sound
- + AI powered intelligent video features deliver a more natural conversation for far end participants
- + Deliver a more immersive experience in medium rooms with expandable audio and video options (when this becomes available)
- + Deploy your way: options available for BYOD, Android or Windows

PANACAST ROOM KIT MULTI
