FORTINET

Boost profits with Fortinet's FortiRewards program.

Increase profitability, improve engagement and drive expertise with the FortiRewards program.

- **Current incentives**

Check the FortiRewards incentive page in the [Fortinet partner portal](#) (under sales/marketing) for a list of incentives available in your region.

- **How to enroll**

The primary member on record for your Fortinet partner portal company account can enroll your company via the FortiRewards [incentive page](#).

To find out if the FortiRewards program is available in your region, and to get program details, enrollment help and terms and conditions, visit the Fortinet partner portal at <https://partnerportal.fortinet.com/>.

For more information and additional Fortinet support, contact your Ingram Micro Fortinet team at FortinetMD@ingrammicro.com.

MICROSOFT

Save 50% on a Microsoft 365 E5 compliance license.

Through Feb. 1, 2026, get a 50% discount on Microsoft E5 Compliance (Microsoft Purview) for all customers with Microsoft 365 Copilot licenses. The promotion is available for new and existing customers who previously purchased Microsoft 365 Copilot without the Microsoft E5 Compliance SKU.

For more information, check out our [Ingram Micro Xvantage™ page](#) or contact the Ingram Micro Microsoft Security team at MS-Security-Ambassadors@ingrammicro.com.

CISCO

Get big rewards for completing Cisco Customer Assessments.

Earn \$7,500 per Cisco customer assessment for deals over \$100K list by identifying new security and/or networking opportunities. Plus, by participating in the Customer Assessment Incentive, your **deal registration process** could be accelerated.

A Cisco Customer Assessment involves a detailed discussion with your client to evaluate their network's robustness, identify any gaps and remove risks associated with outdated or inadequate equipment. This process helps to create a strategic plan, positioning you and Cisco as their preferred partners for future network solutions.
