

HOT SHEET

Q4 2025 Instant Rebates on Select and Updated SKUs

Offer Term: September 29, 2025 – December 31, 2025 (while supplies last)

Grow revenue and your customer base by taking advantage of compelling savings opportunities on Honeywell's leading mobile computers, printers and scanners. For a limited time, we are offering aggressive instant rebates on qualifying sales of the products listed below.

FEATURED PRODUCTS

Granit XLR 1990i and 1991i Scanner

The Granit™ scanners expand capabilities and redefine ultra-rugged scanning. With best-in-class drop specs and tumble performance, durable is the Granit scanner's middle name. With a recessed and scratch and impact resistant window, the 1991i is built with a long term solution in mind.

PC45 RFID Desktop Printer

Built on the Honeywell Printer Edge™ platform, the PC45D 4-inch direct thermal printer offers a large touchscreen, enterprise-level ruggedness, and optimized low label and low ribbon warning workflows to predict and reduce downtime.

CT45 Mobile Computer

The CT45 mobile computers, built on the Mobility Edge platform, are rugged, all-purpose productivity tools ensuring ultra-reliable performance, data connectivity and communications for front-line mobile workers in retail, logistics, and fieldwork.

LNX3 3-Inch Mobile Printer

LNX3 mobile label and receipt printer brings the power and reliability of Honeywell printers into a durable, lightweight, direct thermal printer meeting or exceeding industry printer specifications. With intuitive set-up and interface for premium printing performance for retail, and light manufacturing applications.

Xenon Ultra Scanner

Cordless scanner that incorporates next-generation scan technology to provide premium performance and reliability with wireless workflow flexibility. The Xenon Ultra scanner offers superior scanning performance on damaged or poor-quality barcodes and is engineered to perform with a high degree of accuracy minimizing the need to rescan.

CK65 Mobile Computer

With the longest supported lifecycle available, up to 28-hour* battery life, and enhanced ruggedness, the CK65 maximizes productive uptime, while providing an easy path for users migrating from legacy Windows™ operating systems to the Android platform.

Honeywell

TERMS AND CONDITIONS

- All Honeywell Productivity Solutions and Services Partners located in US and Canada are eligible to participate.

The Offer

- Resellers will receive rebates in the form of an instant rebate (price reduction) at the time of purchase for SKUs listed in Table A.
- **All products in Table A are currently in Honeywell's distributor inventory or Honeywell's inventory are included in this program and can make up eligible orders.**

Exclusions

- Custom SKUs are excluded.
- Accessories are excluded.
- Orders for the additional rebates must be placed and invoiced to the partner between **September 29, 2025 and December 31, 2025**. No backlog will be supported.

Stackability

- Rebate is stackable with Performance Partner Discounts, and Project Registration Discounts (PRs).
- Rebates cannot be combined with any other product promotions.

Other

- Equipment orders for the additional rebates must be placed to and invoiced by distributor between **September 29, 2025, and December 31, 2025**. No backlog will be supported.
- Standard lead times apply to orders for devices.
- Honeywell has the right to change, modify, or cancel the promotion at any time.
- All prices and rebate amounts related to this promotion are in USD.
- Account must be current and in good standing to participate.
- Standard terms and conditions of your distribution agreement apply.
- Product must be purchased from an authorized United States and Canada Honeywell Distributor.
- Any claims related to this rebate must be submitted prior to **January 31, 2026**.
