Welcome

Learn. Sell. Reward.

HP Curiosity is a new community focused on providing partners opportunities for enhanced training, engagement, and rewards and recognition in a unique, interactive platform.

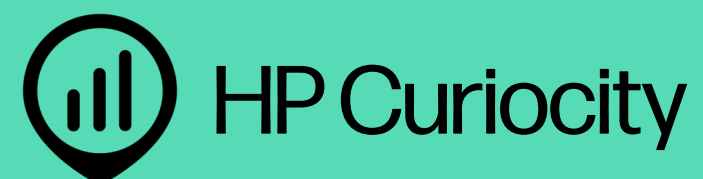

Join this online community to learn, participate in sustainability initiatives, view sales achievements, and receive important updates through notifications and an activity feed.

Get started on your journey and build a foundation of success through promotions, incentives, training, and rewards.

Learn

You can access HP Commercial product and solutions training through the HP University Virtual campus, participate in sustainability initiatives, and build expertise as you develop your knowledge and skills.

Connect

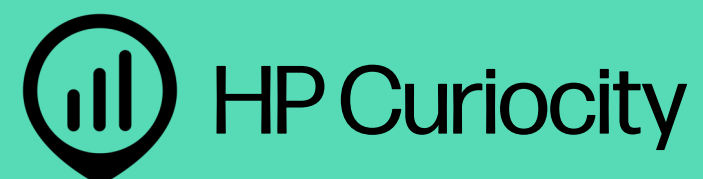

HP Curiosity is a community where you can participate in 1:1 discussions. Join the conversation, find relevant information, achieve, and drive sales when you connect in this interactive, online adventure.

Build

Build your sales success with online resources and earn as you grow. As you participate in the HP Curiosity journey, you can obtain monetary rewards and in-game Gems to build your sustainable metropolis.

As your HP Curiosity develops, your rank can improve, and you'll be on your way toward completing the mission badge.

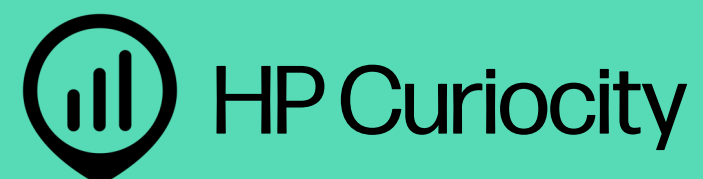

Recognition & Rewards

Track status with the leaderboard and personalized dashboards, and receive monetary rewards and non-monetary Gems that recognize your participation.

To obtain rewards:

- Sell eligible HP products and solutions
- Complete online training
- Participate in promotions
- Complete polls and surveys
- Join and share in the community
- Build your city and have fun
